EXPRESS
INTERVIEW

With ...

Mr. Ryan La Haye

Director – Mortgage Broker
Actuary
Planiprêt Mortgage Agency

Board of Directors of
CAE Rive-Nord since:
2015

Current term:
Administrator

Distinctive qualities:
Positive Leader
Altruistic

Why did you agree to sit on the CAE Board of Directors?

I always liked challenges, and I had never sat on a Board of Directors before. My goal is to share my knowledge but also to acquire some, and so far, I find my experience to be very interesting and rewarding.

Where do you see CAE in 5 years?

CAE has an important role to play in the development of North Shore companies, and I believe we must continue to offer products that are relevant and adapted to the reality of entrepreneurs. The CAE will continue to play this role and will also gain more space on the territory, perhaps by taking a little more risk. In fact, this is what sets it apart from banks and other financial institutions.

"We must help entrepreneurs where there is a real need, where there is a necessity. Obtaining financing for entrepreneurs is very difficult due to strict standards, which is why CAE must continue to support them in their growth".

- Ryan La Haye
